Expenditures

Dear Mr. Jones:

As a resident residing near the Saw Wee Kee Park/Dump and who also attended the Park District Board meeting last month, (July 16, 1992) another local resident made an inquiry to Mr. Robert (Bert) Gray at that time if it would be possible to obtain a listing of expenditures incurred by the Park District regarding any clean-up (past & future), attorney fees, improvements (past and future), consulting fees, etc. starting with December 1990 to present. Mr. Gray responded that this request could be completed and that the information would be processed in a timely matter.

To the best of my knowledge, this request has not been fulfilled as of this date. Therefore, I am requesting this information from you as an elected official (President) of the Oswegoland Park Board of Commissioners to reply to this request. This request is being made to you under the Freedom of Information Act. I would sincerely appreciate it if this request could be fulfilled within the next 15 days (from the date of this letter).

Should you need further clarification regarding this request, please do not hesitate to contact me at 554-2115.

Very truly yours,

A handwritten signature in cursive script that reads "Ramona M. Capalby".

Dear Mr. Jones:

As a concerned resident residing near the Saw Wee Kee Park/Dump which has been cited by the Illinois Environmental Protection Agency for illegal dumping activities during the past several years and which property was originally used as the town dump, I am hereby requesting under the Freedom of Information Act a copy of the survey and report which was conducted by Ms. Grechen D. Monti of M.O.N.T.I. Communications, Inc. of Bloomington, Illinois during the month of June 1992.

Ms. Monti was hired by the Oswegoland Park District to do a door to door survey of the residents residing on Sundown Lane to ascertain what their individual opinions were of the park/dump. My understanding is that Ms. Monti also did a walk thru of the park/dump areas. It is this report along with its survey results that I am requesting under the Act.

Under the Freedom of Information Act since this request is being made to an Illinois governmental agency, the response deadline is seven (7) business days.

Very truly yours,

Ramona M. Capalby

Earth Technology, Inc.

Dear Mr. Jones:

As a concerned resident residing near the Saw Wee Kee Park/Dump which has been cited by the Illinois Environmental Protection Agency for illegal dumping activities during the past several years and which property was originally used as the town dump, I am hereby requesting under the Freedom of Information Act a copy of any report and any correspondence which was issued to the Oswegoland Park District.

Earth Technology was hired by the Oswegoland Park District to do a site assessment, evaluation, study, etc. of Saw Wee Kee Park/Dump. During the Park District Board meeting on July 16, 1992 there was discussion that Earth Technology had been hired and paid approximately \$350.00 +/- for services rendered.

Under the Freedom of Information Act since this request is being made to an Illinois governmental agency, the response deadline is seven (7) business days.
